

City of Forest Lake RECYCLING CHALLENGE

A challenge to encourage recycling and reuse in the community.

Complete any of these 5 simple recycling tasks by December 31st and receive a FREE City of Forest Lake USB drive.

IT'S EASY, HERE'S HOW:

Select and complete any 5 of these simple recycling tasks listed below! To show proof of your work, take a picture (ex: selfie at the thrift store with your donations, what you reuse and recreate, what litter you find, yourself recycling or donating cans, etc.) for items 1-5 and email the pictures to Jamie.Muscha@ci.forest-lake.mn.us. If you choose to complete #6 below, we will make note of that when you call!

All completed tasks and submissions must be received by December 31, 2020 at 4:30 PM. We will review your submissions and you will be notified via email once approved. USB Drives will be mailed to those who have successfully completed the challenge. The Recycling Challenge is for Forest Lake residents, limit one USB per household.
